Contest: The Taste of Dominion — 10 Years Together!

For Dominion's 10th anniversary, even the Archdemon decided to take part in the celebration and bake a cake. He didn't hold back on the flames, the result was spectacular... but perhaps not quite what a proper anniversary calls for.

Now it's your turn to show what the ultimate 10th anniversary cake should look like.

It can be a cake shaped like the Tower, a cake featuring your favorite Heroes, or any other design inspired by Dominion. If you don't bake cakes, that's fine too: cupcakes, pastries, donuts, cheesecake, and other sweets are welcome as long as they clearly represent a festive anniversary dessert. Your work can be presented as a real baked creation or as a concept in the form of an illustration, 3D model, or physical mockup.

The contest has two categories:
🍰 **Taste the Anniversary** — a real anniversary cake (or other dessert) created in the game's theme.
🎨 **Anniversary Concept** — a visual concept of an anniversary cake: illustration, 3D model, or mockup
